**Premium-Select Whole Cranberries:** Frozen # 01203 – Net weight 1300 lbs.

**Product Description:** Our Premium-Select Wisconsin Organically grown cranberries are matured on the vine to attain the deepest red coloration that you demand in a high quality product. The fruit is harvested late in the season, then washed, dried, sized, and optically sorted to guarantee premium color. The product is free flowing, for ease of handling. The Midwest Organic Services Association, (MOSA), has verified through inspection and review that the Wisconsin Cranberry Cooperative has met National Organic Standards and is certified as compliant with the USDA's National Organic Program ( 7 CFR Part 205).

Specifications	Tolerance
Color	Bright, fairly uniform red color typical of properly matured cranberries with no more than 4 % white/green/yellow. Chemical color analysis will exceed 30 mg / 100 g fruit.
Size	95% within 13/32" and 20/32". Average fruit weight of 1.4 to 1.6 g/berry (285-325 per pound).
Defects	Equivalent to U.S.D.A. Grade A. Practically free of harmless extraneous plant matter, stems, foreign matter, and insect material. Unusable fruit not to exceed 5 %.
Flavor	Typical, free from objectionable flavors and odors of any kind.

**Guarantee:** We guarantee that this product is not adulterated or misbranded within the meaning of the Federal Food, Drug and Cosmetic Act, including Pesticide, Chemical, and Food Additive Amendments to this Act. Our grower's use only registered pesticides, and no illegal or unsafe residues remain on the fruit.
